

July 2nd

9am - 1pm Costs: Normal park riding fee. Plus 30.00 for the school. Here are the particulars to the day. Riding park is open for open riding @1pm, during the classes the park will be closed. Riders wishing to take part in these classes need to let us know by email ahead of time so we can get a count on how many for each type above. Riders will be able to go to any of these classes they don't have to stay with just one class. Please contact me via email wardy@mtco.com

Garry Borelli (Borelli Suspension) will be on hand to help with suspension and bike setup questions. He will be here the entire day to help with the camp.

9am to 9:30am Class room style discussion and set up with Garry Borelli. **9:30 am** Riders will go with the trainers to start to work on specifics this will be til 1pm. **Lunch 1pm** Hotdogs and BBQ, soft drinks. **1:30-4pm** riders may work more with trainers or just ride and have fun! Riders can work in any groups. **Open ride the rest of the day til 6pm!**

Kids and Beginners by: Gerhard Ward and Lee Orme

Garrett and I will focus on beginner kids. Preferably 65cc and 85cc riders who are just starting out. 50cc riders are also welcome. We will focus on the basics, and work specifically with riders own deficiencies. Garrett will help me demonstrate correct way to do different things. Mainly clutch use, braking, riding position, and balance. We will work on the kids track and timber

Mx & Sx training by: Tommy Hofmaster & Burton Lavens. Tommy and Burton will focus on but not limited too Cornering, Whoops, Braking and Ac-

Off Road & Ex Training by: Ryan Moss & Travis Ward Ryan and Travis will focus on Crossing logs, big and small., off cambers,

tree roots, climbing hills, going down hills, rock creek, and excursions, dead engine starting. Passing in the woods. (Please note Travis has worked with Ryan since he was on 85cc machines and now is in the AA class.) Garrett Ward will likely help as well as Lee Orme From MATCO Tools will be helping me again with the beginners!

New for this year!

Jesse Wellenstein and Greg Sassi will do our first trials School! Jesse and Greg are some of the best trials riders in the area! They will focus on fundematels of trials events and special techniques they have acquired in their careers. We won't be using the Trials arareas set up for the event on Sunday but there is ample places to train at the Fox Valley Facility.

Please note we shorten up the training camp as the riders simply didn't want to "train" that much in one day. So by doing it this way as a rider you can get the information you need, then hand around and try it while the park is open. We closed the park for the training camp so there would

Megacross / Megatraxs Fox Valley Off Road Training Camp.

JULY 2nd don't forget our GP and Trials event on **July 3rd!** A much better option then standing around watching others
