**2024** Looking forward to a great summer of racing at Megacross. 32 years young!  
Can't believe it's been this long but when we are having fun time seems to fly by!

Racing will be just as intense, and the final will be the blow out with the "23" challenge race which is co-sponsored by Chase. It will be a pro am event and he will likely be there to see everyone as he comes home once a year to hang out. But one race a season doesn't make, we will be doing all kinds of fun things with the GRSS Series, URC points through out the whole time and special things sprinkled in to make 2024 a very interesting season. Join us to witness it first hand!

**4/13, 4/27, 5/11, 5/25, 6/8, 6/22, 7/13,  
8/17, 8/31, 9/14, 9/28**

We want you to have a great day of riding! Thank You for coming to our park.
